Enabling Liver care for Children

Newsletter May 2022

Strength does not come from physical capacity.

It comes from indomitable will.

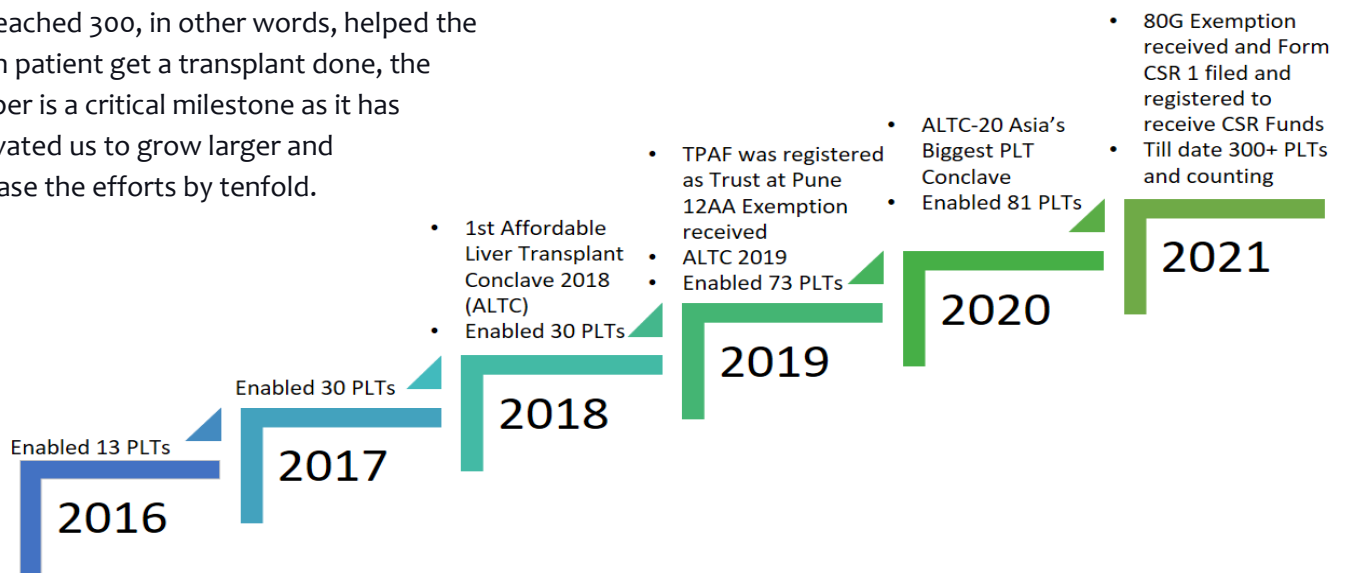

Mahatma Gandhi

At TPAF, the year 2021 has been full of positive things and enthusiasm. We have continued to step forward towards our mission to make paediatric liver transplants affordable and accessible to every child in need irrespective of his/her socio-economic background.

The journey so far: 300 in 2022 for TPAF

We reached 300, in other words, helped the 300th patient get a transplant done, the number is a critical milestone as it has motivated us to grow larger and increase the efforts by tenfold.
